PETITIONING THE COURT

To incorporate the violations contained in this petition in future proceedings with the violations previously reported to the Court on 6/15/2023.

On November 1, 2022, Mr. Starr's conditions of supervision were explained by the probation officer and he signed said conditions acknowledging an understanding of his requirements.

The probation officer believes that the offender has violated the following conditions of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

3	
---	--

	<u>Modified Special Condition #8:</u> You must not loiter within 500 feet of places where children congregate, which includes playgrounds, primary and secondary schools, city parks, daycare centers, and arcades on or about July 4, 2023.
--	---

Supporting Evidence: The offender is alleged to have violated modified special condition number 8, by loitering within 500 feet of a city park on or about July 4, 2023.

On July 5, 2023, the probation officer contacted Mr. Starr to reschedule an appointment. At that time, he informed the probation officer that he attended a barbeque at a local city park on July 4, 2023. He further explained that it was sponsored by his alcoholics anonymous (AA) group. When the undersigned informed him he is not to loiter within 500 feet of city parks pursuant to his modified special condition of supervision, he informed the probation officer that he did not realize it was a violation since it was an AA sponsored event. He denied having contact with any minors while at the park.
